7 KEY FILL-INS

- 1 We begin with SCRIPTURE.
- 2 Government never gets God's THRONE.
- 3 God gave government GUARDRAILS.
- 4 Government was born out of a VIOLENT world.
- 5 Every person bears the IMAGE of God.
- 6 Government is supposed to SERVE a purpose under God.
- 7 We honor the office, but we worship only the heavenly KING.

PULPIT & POLITICS

God gave government guardrails, and when government stays within them, Christians should support what God designed to protect life, restrain evil, preserve order, and serve the common good.
